

The 6th grade students have worked on a creativity project, "Chair"ity. They have taken previously loved chairs and turned them into themed works of art. There will be an online silent auction during Shine Night. The money raised will go to the charity the group has chosen for this year, CADV. If you would like to bid on a chair, please use a computer or your phone to create an account at the following web address:

https://www.32auctions.com/chairity2018

## The auction will run from 3:30pm-6:45pm on Monday, April 23rd!

If you win a chair, please make arrangements with Mrs. Eaves at the Capstone Center to pick up your item and make your payment within the next week. Thank you!
