

<h2 style="text-align: center;">Christmas Program</h2> <p style="text-align: center;">Family Adoption Request</p>

At CADV, we serve hundreds of domestic and sexual violence victims each year, and over 90% of those individuals are unable to provide a Christmas dinner, warm clothes or gifts to their families. They have been forced to give up these “luxuries” in exchange for trying to protect themselves and their children from the horrific violence they’ve experienced.

In an extended effort to alleviate some of the pain inflicted on these families, CADV (with your help) sponsors an annual Christmas program to provide them with gifts and necessities. **Last year we were able to help over 60 families including over 100 children through this program.** We are looking for groups, individuals, neighbors, families, businesses, etc. to adopt a family in need. There are families of all sizes, ranging from single individuals to families with 6 or more children. **Would you be willing to adopt one of these families and make sure they don’t go without this Christmas gifts and necessities this year? Don’t wait. Sign up now!**

Please complete the information below. We will soon start collecting the “wish-lists” of the victims we are serving and that are in need this year. We will pair your commitment with one of these families and send you a list of their specific needs and wishes, along with details about their sizes, favorite colors, etc. These lists will start being distributed mid November. We will make every effort to get the information to you before the “After Thanksgiving Sales” as you request.

Thank you for your generous heart and support!
