"You talked about how smart phones can open the door for kids to explore the entire world, but I got chills when you mentioned we are exposing the entire world to our children." -- A concerned parent

THE
STOP
TRAFFICKING
PROJECT®

WHAT Educate and empower:

- Provide insight into the role of technology in exploiting vulnerabilities
- Identify this high demand business of sexual exploitation
- Receive the "top ten practical tips" for caring adults to help keep their students safer
- Name apps and provide practical advice to guide caring adults

WHO Caring adults are invited:

- Law enforcement
- Firefighters and EMT's
- Medical Professionals
- Counselors
- School personnel
- Parents, guardians, and adult family members
