# BEALERT® STUDENT ASSEMBLIES

**WHY WE DO WHAT WE DO**

# of students  
grades K-12 who  
experienced a  
BeAlert(R)  
assembly:

**134,355**

Our BeAlert® Student Assemblies make a positive, immediate impact in the lives of students! Age-appropriate assemblies are strategically designed for grades K-2, 3-5, 6-8, and 9-12. It's all about online safety in a way they have likely never experienced before!

BeAlert® is not a curriculum. It's an experience that over 134,000 students have enjoyed using cinematic movies along with an in-person presenter.

## WHY DO YOU NEED TO ATTEND OUR BEALERT® EVENING ADULT COMMUNITY PRESENTATION?

**The #1 mistake that  
parents make is  
thinking "not my kid."  
A lot of adults don't  
believe their kids can  
get in trouble in their  
online life.**

Russ Tuttle, Founder

Please watch  
our short film  
to hear why  
we do what  
we do.

"The assembly was awesome. Thank you, guys. Sometimes my logistical brain doesn't let me stop and appreciate the importance of making time for things like this. **Today was a reminder for me that I am a person whose priority must be keeping these kids safe every day as well as making sure they are getting an education!** They're mine, and I love 'em!"
